ABOUT OUR COMPANY

Mister Magic Car Washing & Cleaning EST is a "Green" company specializing in the newest technology of waterless car wash products and services in Dubai. We are a professional, full-service "Waterless" car wash that provide a convenient first class luxury service to residents. The residents do not need to bring their cars to the traditional car wash. We brings luxury car wash service to you. We save between 25 to 46 gallons of water per wash versus the conventional method of washing cars. With waterless technology, messes are a thing of the past! Waterless Car Wash is a revolutionary new idea for the 21st century vehicle owner. A no water auto wash seemed like a near impossibility a decade ago, but today there are many waterless car wash products on the market. However, not all of these products are the same. We use product **Carixer, Armoall tire polish** which makes your car clean and give new look shining.

COMPANY OFFER SERVICES

Mister Magic Car Washing And Cleaning EST offer waterless car washing service to wash and wax your vehicle in a single step. Our unique blend of Cleaning agents, Carixer and Armoall tire polish, Polymers work effectively to achieve the desired results, leaving a mirror-like finish along with providing UV protection to your vehicle that lasts for weeks. Our waterless car wash product are all non-toxic, biodegradable and Eco-friendly, with an easy application. The spray-on cleaner introduced by us safely removes surface contaminants and leaves your car absolutely spotless and scratch-free.

We have formulated our product to lift dirt away from your car's surface. Our powerful waterless car wash product break down road grime, while polymers leave a smooth and protected finish, Carixer and Armoall tire polish clean dirt and stone from tier and give shinning . Moreover, the spray-on method ensures removal of untreated runoff and conserves water. The best part about our waterless car wash service is that we don't need any external water source, thus gallons of water can be saved.

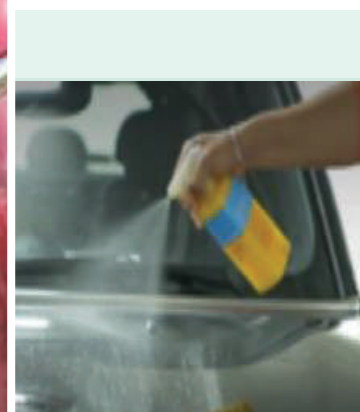

BEST PRODUCT

Mister Magic Car Washing And Cleaning EST brings to you not only the best products imported directly from America, but also brings you a product that your car needs as wash, polish and protect your vehicle. Most car wash companies are just out to make a buck. We are on the other hand is dedicated to providing only the best waterless car wash services and products. We use high quality waterless car wash products, which is industry's top lines of products. Our products ensures the treated vehicle surfaces to stay clean longer before needing cleaned again. The anti-static properties bounce the dirt, dust, and repel water for days. This will result in less cleanings per vehicle, per month and therefore saving time, effort, and money whilst giving the vehicle premium shine.

Our customer can be confident, because we got a professionally trained and reliable detailing team. Our professional staff provides the utmost respect and care for our customers and their vehicles, ensuring maximum service at minimum cost. We treat your car as if it were our own! We save you time, energy, money, fuel, and water!! With each wash, you are not only cleaning your car, you are polishing and protecting it every time.

OUR VISION

Make your car's future even brighter using Mister Magic Car Washing And Cleaning EST car washing and detailing products that not only clean your car's surface from dust, road grime, acid rain and other contaminants that react with your vehicle on daily basis, but also provide protection against harmful UV radiations, giving your car a streak-free finish and the same showroom shine like before. All the Mister Magic Car Washing And Cleaning EST products are fortified with the best ingredients and cleaning agents, after passing through the most rigorous tests and being tested and approved by professional car-detailers, thus providing you convenience in car detailing and saving your time, money, energy, and most important resource of the planet, **WATER!**

OUR MISSION

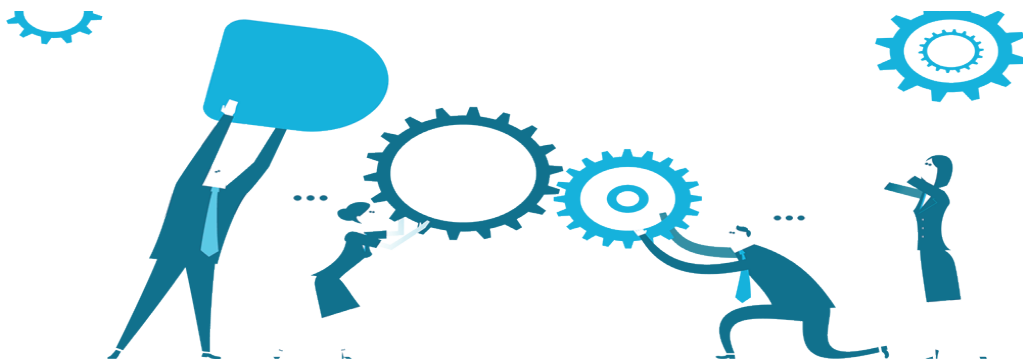

We are the car detailing enthusiasts in UAE you possibly have heard about who love the simple beauty of finely detailed cars. Ever since our inception, Mister Magic Car Washing And Cleaning EST have been committed to bring its customers waterless revolutionary car care services in UAE that would excel your expectations. We endeavour to save water and protect the environment by providing eco-friendly, waterless car detailing equipment and products to people. Our sole aim has been nothing but to be the change we wish to see in the auto detailing service industry.

WHAT WE DO?

It's of no secret that the automotive care industry splurges water and releases toxic chemicals from the traditional car detailing products into the environment causing it harm. After developing an understanding of the issues associated with the conventional watered automotive care products, we at Mister Magic Car Washing And Cleaning EST decided to take matters into our hands, align our philosophy with the global movement towards eco-friendly technology and step into the world of unconventional car detailing products and thus become UAE's very first 'Green' car cleaning equipment supplier. Loaded with Mister Magic Car Washing And Cleaning EST waterless car wash and wax products to carry out an efficient car detailing job, our most desired product, Mister Magic Car Washing And Cleaning EST Car Wash trolley is the ultimate dream of both a car lover and a service provider.

Mister Magic Car Washing And Cleaning EST offers a reliable car wash system all over Middle East and Africa. Being the best and only Mobile Car Wash Cart or Trolley manufacturer and Car-Washing Products Wholesale suppliers, we offer a range of products including Mobile Car Wash Cart, Car Care Products, Car Wash Cleaning Equipment, ECO Car Wash Products, Car Detailing Services, Car Cleaning Services, Auto Detailing Tools and Accessories, Auto Detailing Supplies, Auto Detailing Products, Best Car Shampoos, Detailing Sprays, Car Wash, Wax, Polishes and Microfiber Towels.

THE BEST THING ABOUT US IS THAT WE DO OUR PART TO HELP PRESERVE OUR THE MOST IMPORTANT RESOURCE OF OUR PLANET. WATER!

Moreover, Mister Magic Car Washing And Cleaning EST offers also works as a professional automotive care company that specialises in providing the less-heard-of waterless car care services. Sounds bizarre? Well it will not now. Waterless care wash is the revolutionary new way of taking care of your vehicle for today's consumer. Mister Magic Car Washing And Cleaning EST provides its customers one of a kind, waterless, luxury car cleaning and detailing services in Dubai. What makes our services unique and stand out among similar others is that our customers do not need to bring their vehicles to us because we come to you. While the traditional car wash method usually consumes up to 25-46 gallons of water per session, the 'Green' car wash technology we follow does not spill a single drop of water!

SHAMPOOS, DETAILING SPRAYS, CAR WAXES, POLISHES AND MICROFIBER TOWELS

Availability of waterless car wash cleaning equipment seemed like an unfeasibility a decade ago however today there are numerous options in the market. But are all those products worth the money? Listening to the needs of our customers, Mister Magic Car Washing And Cleaning EST also serves as the biggest car washing products wholesale supplier in Middle East and brings you the finest automotive detailing products imported directly from America. Regardless of your client's vehicle detailing needs, our eco car care products such as car wash shampoos, detailing sprays, car waxes, polishes and microfiber towels will not only meet their car detailing requirements but will exceed their expectations for quality and performance.

CYCLE OF TREATMENT

The eco car care products Mister Magic Car Washing And Cleaning use, not only clean your vehicle's surface but ensure it stays that way long enough before it needs another cycle of treatment. The products made with high quality, hi-tech ingredients provide your vehicle's surface the anti-static properties which impart it the ability to repel water and bounce off dust and dirt particles. The result? Your vehicle will require lesser rounds of cleaning per month as opposed to with traditional washing techniques and products.

PROFESSIONALLY HANDLE YOUR VEHICLE

Revive your vehicle's interior and exterior and turn it into brand new with our car detailing products and services. Let the professionals handle your vehicle and you will never regret it. In fact, we guarantee you will never want to have your car detailed without using Mister Magic Car Washing And Cleaning products. To us, nothing equals a happy satisfied customer.

WE INVITE YOU TO COME AND VISIT US

What we have achieved so far is an overwhelming response from our loyal customers and there is nothing more satisfying to us more than the appreciation we receive from those who are happy with our products and detailing tips. We invite you to come and visit us for a personal customer experience.
